

LIONS SUMMER PLANS

The local Lions Clubs announced their fundraising efforts for the summer. These events include their 2nd annual golf tournament, James Lee in Concert and the 3rd annual charity table tennis tournament. These events are supported by volunteers from the Markham Lions Club, Milliken Mills Lions Club & New Horizon Lions Club. Come on out and support these great volunteers through the Lions organization.

UNIONVILLE HOOPSTERS

Ten Unionville basketball players represented York Region very well in Syracuse, New York. The team went down to the Carrier Dome for a tournament against American & Canadian girls age 13-14. The girls played very well, representing Unionville & Canada with great integrity and competitiveness. Congratulations to both coaches, the girls, their parents and everyone for showing what Unionville girls can do against some of the best.

FORD DRIVE GREEN EVENT

Ford Canada held their Drive Green Ontario event to help consumers become better eco-friendly drivers, by giving green tips on how to get more KMs out of their gas tank and discussing the latest in Hybrid and Electric vehicle technology. Ford's latest electric vehicles were on display as well as the Hybrid vehicles which feature Ecomode. Ecomode, helps motorists drive greener by giving hints and tips in real-time – the more green you drive, the more flowers will (digitally) grow on your dashboard!
